

Company Profile & Products Catalogue

شركة أيديج الحديثة الصناعية
EDGE Modern Industrial Company

EDGE Modern Industrial Company is one of the leading companies in the furniture industry in Saudi Arabia.

Our experience extends to more than two decades, backed up with comprehensive years of experience.

By applying this experience, we succeeded in meeting the needs of our partners and exceeding their expectations. We gained the trust of our customers to offer innovative techniques aimed at achieving high value, exceptional quality, and inspiring designs that suit their lifestyles.

Achieving High Value,
Exceptional Quality
& Inspiring Designs

Perfecting the Details

Vision

Break the boundaries to develop and build designs in our innovative style while ensuring quality and creativity, making our brand one of the world's leading brands in the furniture industry.

Mission

Challenge the unknown and provide innovative solutions that transform projects into an ideal environment, transforming creative ideas into practical reality as envisioned, where the imagination of our clients becomes our mission.

Statement

Provide a lifestyle environment that caters to your taste and design a professional work experience tailored to your business need.

Quality that Matters

Through research and development, a team of specialists and designers at EDGE selects the most exemplary types of wood and materials used in its manufactures. To ensure the

highest quality standards and the best modern technologies in furniture manufacturing, we aim to constantly provide products that befit the reputation of the contemporary EDGE company.

Hotel Entrance & Lounges

The hotel lobby has a clean efficiency yet is welcoming all the same. It has an ambiance that allows one to process the transition from journey to arrival. The foliage of the lobby rises in organic swirls, relaxing to eye and soul.

No matter how much one has enjoyed the variation and scenes of the journey, the sight of the hotel lobby is a grand relief.

Conference Rooms

Your next room for Business world.

All Types Room

Give me a hotel that feels as if I have returned home and that is all I can ask. The room is a hug of walls with couches of greater comfort than beauty.

Have a relax time...

Mangerial Desk A Type

A type Operational Series is an office desk that allows unlimited combinations, designed to provide the best layout regardless of the number of employees and the shape of the residential area.

Mangerial Desk T Type

The T shape desk is distinctly different from other work desks with its human-oriented design approach that puts the concept of a healthy office in the center. While its stylish design, equipped with high-tech details, offers a more active living space in offices.

Mangerial Desk O Type

Type desk legs come in three different designs: U, A and O shape. O-shape desk legs are unique in that you can additionally order a special divider designed for two-seat and four-seat desks

Mangerial Desk 4 Legs Type

Emphasizing durability and comfort, 4 legs type, the office desk, supports the team spirit with its delicately calculated details in its design, while emphasizing the dynamism and harmony in the office.

Mangerial Desk Closed Legs Type

the closed legs desk is an optimal office furniture line which allows you to create a comfortable, functional and well-organized work environment using minimum components. The system includes panel end legs with levelling feet which provides stability on uneven flooring.
